**Center for Automotive Research Announces Shailen Bhatt, Administrator of the Federal Highway Administration, as Keynote Speaker for Management Briefing Seminars (MBS)**

**Ann Arbor, MI (July 29, 2024)** – The Center for Automotive Research (CAR) is thrilled to announce Shailen Bhatt, Administrator of the Federal Highway Administration (FHWA), as a keynote speaker for its upcoming Management Briefing Seminars (MBS). MBS is a premier event that brings together leaders from across the automotive industry for insightful discussions on the most critical issues facing the sector.

Shailen Bhatt will deliver a keynote address on Monday, August 5<sup>th</sup> as part of the opening program and conference kickoff event. His participation in MBS underscores the FHWA's commitment to collaborating with the automotive industry to shape the future of transportation.

"At FHWA, we are working with partners in research and industry to advance innovations like connected vehicle technology to achieve our goal of saving lives and creating a safer and more efficient transportation system for everyone," said **Shailen Bhatt, Administrator of the Federal Highway Administration**. "As we continue to collaborate on the future of transportation technology, I am excited to join the distinguished speakers and attendees and engage with key industry stakeholders at the Center for Automotive Research."

**Registration for the 2024 MBS is open. For more information, including the full speaker lineup and agenda, please visit the CAR website at [www.cargroup.org/mbs](http://www.cargroup.org/mbs).**

***Center for Automotive Research***

The Center for Automotive Research (CAR) is an independent, non-profit organization conducting industry-driven research and analysis. Focusing on critical areas like Energy & Sustainability, Technology, and Labor, Economics, and Policy, CAR has been a trusted resource for the automotive industry for over twenty years.
